

Cowfold Parish Council

Open Spaces

The Parish Council owns a number of sites within the village and is responsible for their maintenance. The principal sites are:

- The Playing Field
- The Toddlers Play Area in Acorn Avenue
- The Kicking Field in Acorn Avenue and
- The Bowling Green

These are shown on the map below:

It also owns an access road from Acorn Avenue to the rear of a number of properties on Henfield Road.

The Parish Council has a duty to protect its assets for future generations. For this reason, use of, and access to, the sites is carefully controlled and, for example, direct access from any private properties that share boundaries with the sites is strictly

prohibited. In addition, residents are not allowed to erect any structures on, or that block existing access points to, the sites.
